

Federal Credit Union **Community Partnership Grant Application**

Family Trust is grateful for the non-profits and what they do to make our community a better place to live. We understand demands are increasing and resources are a constant struggle. We believe that if basic needs of food, clothing and shelter are not being met, it's difficult for people to take care of themselves, including managing their finances. We also believe in especially supporting the children in our community, so they can reach their greatest potential.

We've established the Community Partnership Grant Program to donate to local non-profit organizations. These include emergency shelters, food pantries, and organizations who support families, children and those with special needs and many more. We are now accepting applications for the Spring season; deadline is **March 15**.

Please complete the form below and email to engagement@familytrust.org

Requirements
